# BEFORE THE FALLOUT

A BRIEF HISTORY OF

THE PRE - WASTELAND

## 1945 - 1969 DIVERGENCE

Following decades of warfare and rising tensions, most world powers shift focus to developing nuclear power and weaponry. Cultural development grinds to a halt.

## APR. 2052 THE RESOURCE WAR

With oil reserves running dry war erupts across the world. The United Nations disbands after a small nuclear exchange.

## 2060 WORLD OF TOMORROW

The petroleum era ends and the world turns in desperation to fusion power, leading to a technological leap forward over the following years.

## OCT. 23, 2077 THE BOMBS DROP

No one knows who struck first but in a period of just 2 hours, the world burned.

## 1969 COMMONWEALTHS

To better face the threat of Communism, the U.S consolidates into 13 commonwealths, comprised of former states.

## 2054 PROJECT SAFEHOUSE

The U.S Government commissions a series of Bunkers to house select groups of the population in the event of nuclear war. Vault-Tec steps in to begin the project.

## 2067 FUTURE OF WARFARE

The first T - 45 Power Armour is deployed to the front lines and dominates the battlefield, changing the nature of warfare forever.
